statis Typographus, Anno Dom. 1691.

## BENEDIGNO LECTORI,

S.

Ides hic, Lector, introductionem ad Linguae Latinae initia methodicè & strictim delineatam. Methodum designant sex sectiones, quæ Tyronem ma-  
 quasi ducunt à vocabulis & formulis tritissimis ad aia paulo  
 majora pro ratione captus puerilis. Ut nutrices  
 infantulos suos, vel balbutiendo, primas vocolas  
 docent, ita qui primam pueritiam formant, neces-  
 se habent ad pueriles minutias se demittere ut bre-  
 vi quisquilijs relictis ad ea assurgat, quæ Cicero,  
 Cæsar alique id genus classici Authores suggerunt.  
 Insuper cum obviorem vocabulorum & formula-  
 rum aliquot notitia, occurrit, ut vides, declina-  
 tionum & conjugationum ordine praxeos gram-  
 maticæ materia: quæ omnia ad profectus maturi-  
 tatem faciunt; quam, ad gloriam Nominis sui,  
 & Scholarum utilitatem, largiatur clementissimus  
 DEUS. Vale, Lector, & hæc amicè lecta &  
 intellecta, sic cupimus, amplectere.

Tuus, D.W.

Give me my book.

Rule my paper.

Write me a copy.

Give me a place.

Let me alone.

Whither are you going?

I am going home.

He is in the Church.

He is in the Church-yard.

I am going to the school.

What hours is it?

What want you?

I want my bonnet, my book.

The Bell is ringing.

Elapsus est mihi liber chartaceus. Atuli in scholam graphiarium. Plumbeum mortariolum. Motuare mihi lanani. Atramentum hoc non est liquidum. Hauri pennâ atramentum commodiùs. Hic manum meum remoratur, *he is spilling my hand.* Non admittit ad me lucem, *he is sitting betwixt me and the light.* Exsicca literas pulvere. Distorte scribis, *ye are out of the rule.* Peccasti hanc literam. Exacue mihi pennam forma tenui, mediocri, grandiuscula. Abusus est penna mea, *he hath spilt my pen.* Hæc penna non convenit in meum calamarium. *Cætera pesantur è Dialogo vivis, qui inscribitur scriptio.*

**Q**uando dictabitur Thema? Jam accinctus sum ad scribendum Thema. Prome pennam, atramentum. In promptu sunt omnia. Nimis lente dictatur Thema. Nimis celeriter. Est subobscurum hoc Thema. In construendo Themate aliena opera utitur. Sicubi dabitur, consulit alios. Modo hinc, modo inde emendicat vocabula. Hoc perperam scriptum est. Scatet hoc Thema erroribus. Sæpenumero hic peccas. Lege, quæso, Thema meum, & sicubi in errore sum, corrige. Ter hic à te erratur. Ter lapsus es. Ejus Thema est ab omni errore purum. Purum admodum est ejus Oratio, *He hath a very fine style*, Latine, pure, & elaborate scriptum est hoc Thema. Est Thema concinnum. Non satis concinne periodus hæc definit. Elaborate Themata. Indica mihi errata mea. Dupliciter hic peccas. Sæpe peccasti in syntaxin. Hic sæpe tibi palmam præripuit. Exurge hanc vocem. Multa hic peccas. Perpurga Thema ab his erroribus. Nondum aggressus est Thema. Absolvi dimidium Thematis. Jam absolvi pensam. Jam ad exitum Thema perdaxi. Non per te Thema hoc concinnasti. Videris nullam posuisse operam in elaborando hoc Themate.

### VALETUDO PROSPERA, vel Adversa.

**Q**ui vales? Bene valeo. Deo Gratia. Ut valuisti, ex quo hinc abjisti? Dei beneficio prospera usus sum valetudine. Letus hoc audio. Faxit Deus ut hoc tibi perpetuum sit. Non admodum ex voto valui. Parum commoda valetudine fui hoc hiduo. Qui te morbus habebat? Quo morbo laborabas? Fluxu ventris, &c. Quampridem invasit te hic morbus? Jam triduo eo confictor. Est ingravem morbum delapsus. Vehementer egrotat. Aliquantulum egrotat. Ego hunc morbum illi curabo. Incipit jam morbo suo levare. Incipit in dies magis magisque convalescere. Nondum plene convaluit, est valetudinarius. Jam satis firma valetudine est. Jam vires suas recuperavit. Male valet ab oculis, ab auribus. Laborat è renibus. Dolent illi dentes, caput, venter, &c. Male valeo ab oculis, ab auribus, &c.

## VESTIS.

**S**uccinge te ocius. Quid adeo discinctus incedis? Contaminavit mihi vestes sputo, cæno, &c.

## SECTIO SEXTA.

## Miscellanea.

**P**ater meus invitat te ad prandium, ad cœnam. Hoc inter cœnam dixit. Veniam à cœna. Præceptor indixit omnibus silentium.

silentium, ac proinde submissè loquere. Fac audientiam. Non  
 est tuum hoc agere. Vide ne improvise quis interveniat. Vide  
 additum tempus revertatis. Revertere, in Scholam brevi. Mo-  
 do ambulabat in littore. Brevi in unum omnes conveniant.  
 Posterius priori non convenit. In hanc sententiam convenit il-  
 lud Virgilij. Inanem operam sumis. Nuge. Gerre, Fabule.  
 Nugas agis. Non possum mirari tuam negligentiam. Miror,  
 qui potuerit tibi hoc in mentem venire. Vile redieritne in ur-  
 bem, an nondum. Non vult admittere jocum. Non admitte-  
 tur in Scholam. Admittite me ad consortium vestrum. Laudo  
 conatum. Jussa tua peregi. Perigistine mandatum meum?  
 Nulla erit per me mora. Per oblivionem reliqui librum domi,  
 in campis. Nihil possum apud eum proficere, *I cannot mend my  
 self at his hand.* Nihil est periculi. Ego liberabo te hoc periculo.  
 Mentitur morbum. Nolis velis hoc agam. Obliviam illi ibo.  
 Bis mihi hodie occurrit. Multa mane mihi obvis fuit. Ante  
 horam eum vidi, *I saw him one hours since.* Liceat mihi ascen-  
 dere equum, vel liceat mihi insilire in equum. Insidebat equo.  
 Tolle eum in equum. Descende equo. Aquatur equos, *he is  
 watering the horse.* Proculcavit puerum equo. Quid movit tibi  
 anhelitum? Liceat mihi recipere anhelitum. Quid ita capillum  
 alis? Quid ita comam promittis? Nimum, est tibi promissus  
 capillus. Insignem concionem habuit. Hoc pro concione audi-  
 vi. Jam cepit me laborem, ocij, feriarum satietas. Apud quem  
 diversaris? Quid est diversorium tuum? Hoc nihil ad rem.  
 Modo versabatur huc mihi labris primoribus. Nulla est in me  
 mora, *I am upon a haste.* Insusurra mihi in aurem, quid velis,  
*round to me the thing that you would say.* Concita equum, *give  
 the horse the spurs.* Excutiem tibi dentes. Vini censuram facito;  
*taste the wine, and see if it be good.* Promisi illi ad cenam, *I pro-  
 mised to sup with him.* Ego hoc in me recipio. Nolo tecum verba  
 commutare in presentia. Haud auspicato huc me appuli. Non  
 ego culpandus sum, hoc mecum facit, *that maketh for me.* Con-  
 veniunt ad exequias cohonestandas. Revertere ad propositum.  
 Videbor mihi hanc operam bene posuisse, si gratum te comperi-  
 am. Quis hac nocte agit urbis custodiam. Hoc agite amabo. Aga-  
 mus quod agendum sit. Non impune hoc abibis. Splendide &  
 ornate dixit. Ab omni contentione in posterum abero. Multa  
 opere & laboris res est. Ego jam partes meas peregi.  
*Cetera suppleat privata diligentia.*
